SUBJECT: **ESTIMATED SSI/SSP PAYMENT STANDARDS EFFECTIVE  
JANUARY 1, 2020**

**Provider Information Notice (PIN) Summary**

PIN 19-12-CCLD releases the updated estimated Social Security Income (SSI) and State Supplementary Payment (SSP) payment standards effective January 1, 2020 for Non-Medical Out-of-Home Care (NMOHC) - Licensed Facility or Without In-Kind Room and Board.

The attached chart presents a summary of the SSI/SSP Payment Standards, and the specific components thereof, effective January 1, 2020.

The Evaluator Manual, [Appendix C - SSI/SSP Payment Standards Effective 1/1/2020](#), has been revised to incorporate the new SSI/SSP Payment Standards.

Non-Medical Out-of-Home Care (NMOHC)  
Payment Standard for Individuals-Licensed Facility or  
Without In-Kind Room and Board  
Effective January 1, 2020

<b>Source</b>	<b>Amount</b>
Supplemental Security Income (SSI)	\$ 783.00
State Supplementary Payment (SSP)	<u>\$ 423.37</u>
Total NMOHC Payment Standard	\$1,206.37*

The NMOHC Payment Standard includes the following components:

<b>Component</b>	<b>Amount</b>
Room and Board	\$ 520.37
Care and Supervision (maximum)	<u>\$ 549.00</u>
<b>Amount Payable for Basic Services</b>	<b><u>\$1,069.37<sup>1</sup></u></b>
Personal and Incidental Needs Allowance (minimum) (Must be provided to the recipient)	<u>\$ 137.00</u>
Total NMOHC Payment Standard	\$1,206.37*

\*This total NMOHC payment standard is doubled for SSI/SSP couples.

---

<sup>1</sup> NOTE: Recipients who have income in addition to their SSI/SSP check (for example, a pension, Social Security retirement, or disability benefits) can be charged the \$1,069.37 amount for basic services plus an additional \$20. Because federal rules do not count the first \$20 of a recipient's income against his/her SSI/SSP grant, an SSI/SSP recipient with other income has an extra \$20 that people who receive only an SSI/SSP check do not have. Neither federal nor state law restricts the recipient in how this additional \$20 amount is spent. Thus, if the recipient agrees in the admission agreement to pay the additional \$20 for basic services, the facility may charge the additional amount.

# Supplemental Security Income (SSI) in California

## What is SSI?

Supplemental Security Income (SSI), is a federal program that provides monthly payments to people who have limited income and few resources. SSI is for people who are 65 or older, as well as people of any age, including children, who are blind or who have disabilities.

To qualify for SSI, you must also have little or no income and few resources. The value of the things you own must be less than \$2,000 if you're single or less than \$3,000 for married couples living together. We don't count the value of your home if you live in it, and, usually, we don't count the value of your car. We may not count the value of certain other resources either, such as a burial plot.

To get SSI, you must also apply for any other government benefits for which you may be eligible. You must live in the United States or the Northern Mariana Islands to get SSI. If you're not a U.S. citizen, but you lawfully reside in the United States, you may still be able to get SSI. For more information, read *Supplemental Security Income (SSI) for Non-Citizens* (Publication No. 05-11051).

The state of California adds money to the federal payment. The single payment you get at the beginning of each month includes both the federal SSI payment and your supplement from California.

## Medical assistance

If you get SSI, you can usually get medical assistance (Medi-Cal) automatically. A separate Medi-Cal application isn't necessary. If you have questions about Medi-Cal, contact your local county health or human services office.

## Supplemental Nutrition Assistance Program (SNAP) – also known as CalFresh

You may apply or recertify for CalFresh benefits at any Social Security office if all of the following apply:

- You are currently living in California.
- You are getting or applying for SSI.
- You live alone or in a household where everyone is either getting or applying for SSI.
- You are not already getting CalFresh benefits.
- You have not filed for CalFresh within the past 60 days.

You can use the online SNAP Pre-Screening Eligibility Tool at [www.fns.usda.gov/snap/recipient/eligibility](http://www.fns.usda.gov/snap/recipient/eligibility) to see if you may be eligible for SNAP. You may also call SNAP's toll-free line at **1-800-221-5689**. Visit [www.cdss.ca.gov/food-nutrition/calfresh](http://www.cdss.ca.gov/food-nutrition/calfresh) to apply for CalFresh, or for more details about the CalFresh program.

## Other social services

Individuals who qualify for SSI often are eligible for additional programs and services provided by their local county health or human services office. These other services or benefits may include:

- A special allowance for assistance dogs for people who are blind or who have a disability.
- Certain domestic and personal care services provided to eligible people who are elderly, blind, or who can't perform the services themselves, and who can't safely remain in their own homes unless such services are provided.
- Protective services.

For more information, contact your local county health or human services office.
